Please initial each paragraph below.

I confirm that I have purchased a travel, medical, evacuation insurance.

I understand that this is essentially an adventurous and personal growth journey, thus, I agree to assume full responsibility for participation in this journey and all that I experience.

I realize that travel, whether in urban or rural areas, and whether by plane, train, auto, boat, bus, or other conveyance, or on foot, horseback, or the like, contains some inherent risk of illness, injury, theft, or loss of property, emotional distress or death.

I realize that traveling carries risks, including but not limited to: unsafe drinking water, insects, and wild animals, capable of causing injury or transmitting diseases; unstable governments and political systems; erratic law enforcement; hazardous roads; models of transportation with probable uninsured providers of transportation, whether public or private.

I recognize that such risks may be present at any time during the journey.

I am also aware that allopathic medical services or facilities may not be readily available or accessible.

I fully assume all risks of loss of property, injury or death, including my participation in activities, services, and/or meals, and thus, hereby release and forever discharge my host & hostess and associates from all actions, claims, or demands for damages resulting from my participation in this experiential journey.

I take financial responsibility for all damages I might directly cause to any property belonging to my host & hostess and associates, to other participants, at hotels, and/or other accommodations I will be visiting during this journey.

I agree that I am financially responsible for any such damages caused by my minor children (if applicable) who accompany me, as well as totally responsible for their well-being.

I will be financially accountable for breaking or losing any items and/or belongings, and will re-pay my host & hostess &/or associates the current cost of the particular item that needs to be replaced.

I agree that the places and people we visit are not responsible for any financial events that may occur to my person or belongings.

I agree that my host, hostess, and associates accept no responsibility for any damages or losses of my property, or injury or death of my person, due to inclement weather, civil unrest or other causes whatsoever beyond their control.

I agree, due to any omission, negligence or action of any other person or organization rendering services and associated with my host, hostess, and associates, that they are not liable for any delays, cancellations or any act or omission whatsoever by airlines or other transportation companies.

I agree that all the above obligations shall be binding on me, personally, and that my heirs, executors, administrators, and family will abide by this document.

I thus, release my host, hostess, and associates against any and all causes of action and claims.
